

## Backpack Bed Feature Comparison

The Backpack Bed® has revolutionised single person light weight camping and travel.

Short trips should not be a hassle to prepare for. With everything built-in you are ready to go. From a few days camping with mates to a professional bug-out bag whenever disaster may strike.

### Not built to a price. But built to last.

Spend more time in the outdoors - rather than packing and unpacking.

Keep in the boot / trunk for a snow storm, emergency or crashing at your friends place after a party. The Backpack Bed is ready for what ever you want to do.

### SEASONFORT Backpack Bed

#### Four products in one - means grab and go.

1. Ergonomic backpack with pockets
2. Three window single person tent
3. Built-in mattress - ice insulating
